## Who are we?

GIVING CHILDREN AND WOMEN A FUTURE IN AFGHANISTAN – THAT IS OUR GOAL. EDUCATION AND HEALTH ARE DEFINITELY NOT SELF-EVIDENT. DUE TO THIS REASON, WE ARE SUPERVISING SEVERAL AID PROJECTS SINCE 2002: TWO DAY HOSPITALS IN DOGH ABAD AND IN DEH SABZ AND A GIRLS' SCHOOL IN DOGH ABAD. TOGETHER WITH OUR COOPERATION PARTNERS FRATERNITÉ PARIS-KABOUL, KOMAK SWITZERLAND, UNICEF, SIPGATE DÜSSELDORF AND YOU WE WILL CHANGE THE WORLD AND WE ARE GIVING DEPRIVED HUMANS IN AFGHANISTAN A FUTURE!

### 20 NEW AND YOUNG INTERNS

Young women with a future – this is the claim we want to meet! We are offering young women the chance of advanced training in our clinic in Deh Sabz: 20 young women aged between 18 and 22 years old are doing a 6-month internship, especially in the fields of obstetrics and gynecology.

They are supporting us with the treatment of the increase of patients, which has raised up to 85 000 patients this year only. The reason of this sudden rise is that many Afghans are forced to re-

turn back from Pakistan and Iran. Furthermore, we also offer night shifts with the help of eight new employees since April 2018.

Therefore, we can take care of medical emergencies during nights as well.

### AWARD FOR OUR CLINICS

From overall 38 clinics in Afghanistan, both of our clinics in Dogh Abad and Deh Sabz have been awarded with a prize by the health ministry due to their great commitment.

We are proud of this great achievement!

## OUR GIRLS' SCHOOL

We are giving 280 students a future with our girls' school in Dogh Abad but the waiting lists are still very long. We are preparing young women towards an independent future with our four courses Computer, English, Sewing and embroidery.

This year we have bought new computers and sewing machines together with our cooperation partner Tuisa e.V. Every graduate gets a sewing machine as a graduation gift; therefore, they are able to work independently from home and financially support their whole family – a gift, that enables a future for young women.

## CHARITY CONCERT 2018

Our charity concert on the 14th of October of this year has been fully successful!

This time we prepared something extraordinary for you: we took you on a musical trip through Afghanistan with "7 Steps to Kabul" played by George Pavel (Saxophon) and Farid Ziayee (Piano). Afterwards we offered afghan

delicacy and our guests had a nice time getting to know each other.

We are happy that 200 participants took part this year and we are looking forward to our next charity event!

## FORECAST 2019

Our three heart projects are giving women and children a future – this is the reason why our goal is to further develop our clinics and our girls' school.

Due to the great support of our members, sponsors and cooperation partners we were able to meet numerous challenges. Especially our generous birthday children, who have rather chosen donations for AKD instead of gifts for their birthday, made an amazing impact of donations worth 7000 Euros.

Now it is about you – become a member or donate! Together we give a future to disadvantaged humans in Afghanistan.

Be a part of this change!
